Drogheda & District Support 4 Older People is delighted to have been chosen as the charity partner for this year's Coca-Cola Boyne 10K event which takes place on Sunday April 30th 2017. The run is now one of the most eagerly awaited and well established annual events in the town, thanks to the great

work of the Boyne AC and the Drogheda and District AC and, of course, the many sponsors and supporters.

In order to maximise the unique position as the nominated charity DDS40P would like to ask people taking part in the event to run on our behalf. Sponsorship cards are available at our office or can be emailed, posted or delivered. Each runner will also receive a running bib with our logo on it.

For additional information please call in to our office at 7 The Haymarket or phone 1800200100, 0419847764 or 0863772777. Further details about our charity can be found on our website www.dds4op.com or our Facebook page.

All monies raised will be used to help support the six services we provide for the health, safety, wellbeing and community involvement of older people living in Drogheda and the surrounding areas.
