

Dementia Elevator Road Show

The poster features a stylized background with a blue sky, green hills, and a row of white houses. In the top left is the Louth Age Friendly County logo, which consists of a colorful flower-like shape made of petals in red, orange, yellow, green, and blue, next to the text 'LOUTH Age Friendly County'. In the top right is the Elevator logo, which includes the word 'elevator' in a blue oval and a small icon of a building with an upward arrow, with the tagline 'Building Dementia Skills Capacity' below it. A large, 3D-style signpost is the central focus, with a white sign that reads '27th Sept 2016', 'Marshes Shopping Centre', and '10am until 2pm'. Below the signpost, the title 'The Dementia Roadshow' is written in white on a dark blue background. Underneath the title is a list of bullet points. At the bottom, the website 'www.louthagefriendlycounty.ie' is displayed in black text on a light yellow background.

The Age Friendly Programme is hosting the Dementia Elevator Roadshow in the Marshes next Tuesday 27th September between 10.00am and 2.00pm. The objective of the event is to raise everyone's knowledge of dementia up one notch.

On the day local and national experts in Dementia will provide details of local supports and national free online training.

Every day eleven people over 65 are being diagnosed with Dementia. There are already 48,000 people living with Dementia in Ireland. You may know some people in your own family or community. In general, there is no advice provided to family when a diagnosis is made.
