We have some wonderful volunteers helping older folks in order to make their lives easier in so many ways – a little help in the garden, a bit of painting, a call in the morning, time to learn email or Skype etc.

As you can imagine funding it tough these days. We are a registered charity and depend on the generosity of the general public to provide funding for these services and for day to day expenses (light, heat, power etc.)

If you would like to donate you can do so now by clicking on the button below. We very much appreciate all donations large or small. Thank you so much.
