

Keeping well and warm

Are you 65 or older and own your home which was built before 2002? If you, or someone living with you receives the winter fuel allowance then you could qualify for the following:

- Free Cavity Wall Insulations
- Free Attic Insulation
- Free Lagging Jackets
- Free Energy Light Bulbs
- Free Draught Proofing

What if I have no winter fuel allowance?

It is means tested, you should apply if your total household income is less than €330 per week and you have less than €58,000 in savings.

All application forms are available at our office or call in or phone for further information.
